

EcoBalance 2016 Sponsorship Opportunities

The EcoBalance 2016 Sponsorship is open for new patrons and collaborators! (as well as returning sponsors)

EcoBalance 2016 is the 12th International Conference on EcoBalance, held biennially since 1994. EcoBalance is one of the longest established international conferences discussing methodologies and practices for sustainability based on life-cycle thinking. EcoBalance 2016 will be held in Kyoto, Japan, from 3 to 6 October 2016. A wide range of participants, including experts from various industries, universities, research institutes, governments and NGOs, will present their research results. We believe that EcoBalance 2016 will be a fruitful opportunity for you to network with those participants.

Through sponsorship of the conference, your company will be promoted to more than 300 international participants as well as visitors to our website (www.ecobalance2016.org). Multiple sponsorship levels are available to suit your company's aspirations and capacity. We encourage all interested organizations to take advantage of this valuable opportunity and participate in EcoBalance 2016 as an exhibitor and/or sponsor.

The following levels of sponsorship and respective benefits are available:

A. Exhibitors 100 000 JPY (or more)

- Complimentary registration for two non-presenter participants
- (only one program booklet and one copy of the conference abstract book will be supplied)
- Exhibit booth space: including poster panel, table, and power outlets

B. Sponsors
